Step 2

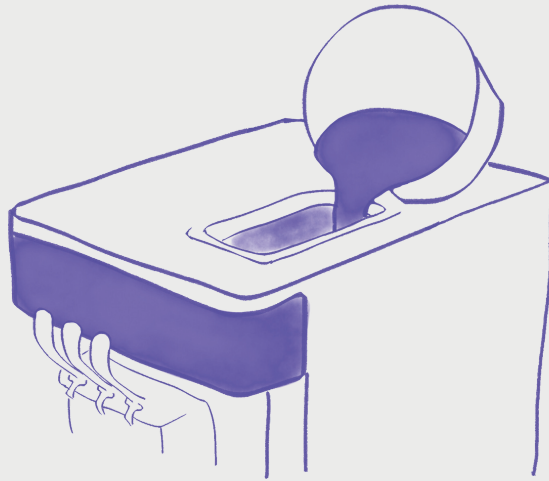

Take 2-3 pails out of the freezer the night before the next day's service; refrigerate them overnight. In the morning, use an immersion blender to thoroughly liquify the açaí.

Step 3

Add one bag of the Tropical Açaí Vegan Non Dairy Mix and blend with an immersion blender.

Step 4

Pour the mix into the hopper and turn on your soft serve machine to make an açaí bowl or açaí cone
